“What is above all desirable for man ? The avoidance of sin, the remission and forgiveness of sins and the attainment of holiness. Wherefore? Because sins, such as, for instance, pride, evil behaviour towards our neighbours, wicked suspiciousness, covetousness, avarice, envy, etc., separate us from God, the Source of life, withdraw us from fellowship with other men, and plunge us into spiritual death...”

If you seek truth with love and for the sake of love, she will reveal the light of His face to you inasmuch as you are able to bear it without being burned.”
